PROGRAMME LEARNING OUTCOME:

The student teachers passing out with the degree of B. Ed., B. A. B. Ed., B. Sc. B. Ed. programmes are capable of guiding the next generation. These programmes train them and develop a skill to express & communicate their views, to inculcate moral values, build national character in them which would groom the school going students in a similar way for future.

Student teachers are engaged in social activities to develop social responsibilities, schools are the best places where moral values and ethics can be imbibed in the school students - the upcoming generation. The society as well as the nation will be benefitted by it.

The programme provides an opportunity to student teachers the know how of the latest technology and they also know, how to be up dated with the updation in technology. The student teachers after completion of the programme are able to update school students with skill and latest technology, which certainly will help them in future.

All these qualities educate the student teachers in real terms. These programmes produce EDUCATORS.
