PROSPECTUS

“ If you fail, never give up because
F.A.I.L. means “First Attempt In Learning”

End is not the end, in fact
E.N.D. means “Effort Never Dies”

If you get No as an answer, Remember
N.O. means “Next Opportunity”

So let's be positive. ”

DR. A.P.J. ABDUL KALAM
MISSILE MAN OF INDIA
FORMER PRESIDENT OF INDIA

Let me welcome you to our Fold!

As we welcome you, the future leaders and productive citizens of the world, I would like to stress our mission statement of grooming young minds and hearts as the pillar of advancement of a nation and hope of the future.

Our institution was formed by a team of Service-oriented individuals to promote education and culture in all aspects to achieve and fulfill the mission statement that we believe in.

Higher education is the touchstone by which the progress of a nation is measured in today's times. As the country stands poised on the brink of an exciting future, higher education is as important as administrative policy. Today, society and academia need to stand together and share their commitment, enthusiasm, and expertise to create a responsible, progressive, and skilled citizenry. In keeping with this very spirit, Kautilya has been focusing on providing all-around, relevant, and comprehensive education to students for the nearest one and half decades in an environment that impresses upon ethics, values, and mutual respect.

Whenever I am asked to define education, the following quote always comes to my mind "The whole purpose of education is to turn mirrors into windows". Education is the fountainhead of growth, progress, and development in any part of the world. Its contribution has been responsible for upliftment of the society, in shaping the moral fiber of the student community and contributing to the nation's well-being by producing the bright minds of tomorrow. We at the Kautilya have structured an effective and holistic education system in a way that prepares the students to be effective and efficient workforce.

As an established and highly esteemed institution, we maintain an utmost academic standard, incorporated with the conduct of discipline, thereby achieving a remarkable and excellent percentage of results. We firmly believe that education is the key to a nation's progress with this; we will take it as our bounded duty to provide the best academic training a student can get. The institution endeavors to comfort the students with all the necessary knowledge and skills to become truly successful in the chosen field. In whatever career a student may choose to take, hard work and discipline are the sure roads towards success. And as your educational institution, we will support students in achieving those golden ambitions and also ensure that their stay in the college is meaningful and fruitful as well.

Students, you are about to cross a bridge in your life because college education is a turning point itself. It is in your hands to make sure that bridge leads you towards success. The hard work of today is the triumph of the future. The time and effort you spend today are the deciding factors of your later years.

As the CEO of this institution, I anticipate the full participation and cooperation of the students and parents to make it possible for us to transform those dreams into reality. And if there is any assistance that you might need, may it be personal or professional, I shall always be willing to hear from you.

I wish you all the best!

Hashruddin Pathan
Chairman & CEO
Kautilya Group of Education

Message

Sasneh Shubhashish,

Warm welcome and greetings, to Kautilya Women's Teacher Training college run by Sugra Shikshan Sansthan.

I am very happy to know that you have selected this college for training, this institution is constantly working for the advancement and development of women's education. We believe that if a woman is educated, the entire family will be educated. With the development of women's education, the country will move towards rapid progress, and may social disparities, prevailing superstitions and stereotype will be eliminated. I want you to become proficient in teaching procedure while training in this college. In addition to knowledge, the spirit of self-service should flourish and flourish and create good memories.

You are future teachers. It will be your responsibility to educate and initiate the new plant of the country. The kind of education you give will be prepared according to the future generation. Thus, you are the future creator of the country.

Let us all make a continuous and meaningful effort for this Bhagirath work, Wish you a bright future.

Tabassum Pathan

Managing Director

Kautilya Group of Education

We all know that today we are living in a fast-changing complex society, which presents before us challenges as well as opportunities. In this context it all depends on every individual how one responds to the situation with the right attitude. We work hard to make every day of learning, a special day for every student who enters the portals of Kautilya College, with a heart and mind set to grow more than yesterday.

Wish you all the best...!

As Swami Vivekananda said, "Truth can be stated in a thousand different ways, yet each one can be true." Education here, in Kautilya College helps our students find that truth. The true hallmark of that education is the one by which character is formed, strength of mind is increased, and the intellect is expanded, and by which one can stand on one's own feet. We give ample of opportunities to our students to seek out that education, discover the truth and also to remember to use it well. I welcome you all to this great institution of higher learning and assure you of a nurturing and caring environment that will see all of you blossom into empowered and sensitive human beings.

Wish you all the best...!

Saman Pathan
Director
Kautilya Mahila Shikshak
Prashikshan Mahavidyalaya

Education is the only possibility through which society can be changed for better living conditions and congenial, peaceful environment. Welcome to Kautilya Mahila Shikshak Prashikshan Mahavidyalaya where excellence in Teacher Education and student-oriented learning holds priority. Kautilya Mahila Shikshak Prashikshan Mahavidyalaya is committed to nurture and develop the talents and skills of the student in true sense in order to support the social and economic advancement of our country. The college is well equipped with state-of-art infrastructure including spacious lecture halls, seminar room, playground, laboratories and other facilities along with an efficient and committed faculty to prepare young teachers who can spread education and enlighten young minds and serve the society at large.

Thus Kautilya Mahila Shikshak Prashikshan Mahavidyalaya is scaling new heights in academic excellence and social commitment.

BEST WISHES TO ALL.

“न हीं ज्ञानेन सदृषं पवित्रमाहि विधते”

PRINCIPAL Message

Knowledge is the most sacred, which comes from education by refining and routing the natural tendencies of the persons, given him an active and responsible personality of the society. The teacher gives the desired, permanent shape to the character, attitude and habits of the child. The importance of teachers and education has been accepted everywhere.

In this direction, "Sugara Shikshan Sansthan" was founded on 3rd July 1999 on the birthday of Mohammad Sahed by Mr. Hashru Pathan, a thought-providing simple personality with a new resolve in Kota City, the heart site of Hadauti Zone. The dreams of Hashruddin Pathan Ji's parents, Mrs. Sugra Begum and Mr. mohammad Yaqoob Pathan real.

Kautilya Mahila Shikshak Prashikshan Mahavidyalaya plays a very indispensable role in developing personality of teachers. Teacher are considered as nation builders. Construction of nation is largely depends upon its constructors, so it is a great responsibility of teacher educator institution to impoart quality education. Keeping in view Kautilya Mahila Shikshak Prashikshan Mahavidyalaya of education has planned to continue its accreditation by the external agency, NAAC,. The college also developed its infrastructure including e-learning, psychology laboratory as well as established many cells and committee to cater the need of students. our curriculum and practices are consistently reviewed to ensure that we are following the most updated best practices, meting all regulation and addressing the future needs of our students

Wishing you the best for scaling bigger success and achieving newer heights in the coming days

Dr. Mahendra Kumar Upadhyay

Principal

Kautilya Mahila Shikshak Prashikshan Mahavidyalaya

VICE PRINCIPAL Message

At the outset, I welcome you all to the world of Kautilya Mahila Shikshak Prashikshan Mahavidyalaya. Kautilya, as a group started journey on 3rd July, 1999 with a great vision to bring educational revolution in society and our citizen. This college not only ensures quality education to the society but also train them to highest level, so that every individual can contribute their part for a happy family and progressive country. The students are the youth and founder of the nation. A dynamic, passionate and determined faculties of Kautilya further brings success by their dedicated approach. We ensure our part in transforming Kautilya's vision into reality by creating such an environment where each student blossoms upto their personnel capacity till maximum level of success and simultaneously multiply reputation of the college. College management and the teachers cordially offers synergistic effects for a common goal to have better education with innovative and appreciable approach. I would like to welcome each one of you to this institution of knowledge. We always do our best for your better and bright future. Hence, I wish you all to reach at the zenith of success in your personnel and professional life where you can smile with innumerable reasons.

Our Mission

The mission of the institution is to educate citizens and citizen-leaders for our society. The institution makes this true through its commitments to the transformative power of education. Beginning in the classroom with exposure to new ideas, new ways of understanding and new ways of knowing. Student teachers embark on a journey of intellectual transformation. Through a diverse learning environment, where student teachers learn with people who are studying different topics, come from different walks of life and have evolving identities, intellectual transformation is deepened and further conditions for social transformation are created. From this exercise, the institution dreams that students will begin to fashion their lives by gaining a sense of what they want to do with their talents and skills, assessing their values and interest and more over learning how they can best serve the world.

Our Vision

- The management committee has a vision to create and sustain conditions that enable its student teachers to experience an unparalleled educational journey that is intellectually, socially and personally transformative.
- The women teacher education institution was promoted and established with the vision to promote and educate girls, who can educate not only the whole family but upcoming generation as well.
- The management has a view that if good teachers having moral character, ethics and principals in life teaches school going children then good citizens can be produced. The school going age is the formative age where moral, ethical and national values. Can be inculcated in them.
- The student teachers trained in this institution should have moral values, national character and should be able to motivate the society in right direction.
- The student teachers must be dedicated, responsible and honest to the profession.
- The student teachers must be academically sound, aware and versatile.
- The student teachers produced should be able to communicate and express themselves.
- The student teachers should treat themselves and important part of the organization.
- The student teachers must have good decision making power.
- The student teachers should know their social responsibilities.

Kautilya

SCHOLARSHIP

Scholarship of Social Welfare Department is payable to SC/ST/OBC/ Disabled / Widow etc. In this regard the students should send their application form to the concerned department through the college with the desired documents in the course.

TRANSPORT FACILITY

The college has its own fleet of buses to cater to the transportation needs of Pupils Teacher, Staff Member and Visiting Guests. Transport is available to the student and staff for commuting not only from various parts of the city also from the suburbs to the institutes in India our visiting faculty.

CLASSROOM ETHICS

- Passion for teaching Learning and Research.
- Respects for students.
- Deeper understanding.
- Clarity of expression/thought.
- Fluency of language.
- Discipline.

CLASSROOM FACILITY

The institute has spacious architecturally designed lecture and tutorial rooms. It also has glossy chalkboards and flannel boards all intact, furnished with adequate modern furniture.

SCIENCE AND MATHEMATICS RESOURCE CENTER

Science is not only knowledge but also an art. This art is explored, experimented & practiced in Science Resource Center. Science cannot be taught effectively without testing, Experimentation & demonstration of the scientific facts. Science Resource Center is the place & means with the help of which all these necessary activities can be performed smoothly & effectively. A Math resource center is a place where students can learn & explore mathematical concepts & verify mathematical facts & theories through a variety of activities using different materials. These activities may be carried out by a teacher or the students themselves to explore, to learn, to stimulate interest & favourable attitude towards math. These aims are fulfilled by Science & Maths resource center reset up in the college. Various experiment are done, models & charts are prepared by the students and extension lectures are delivered by educationists.

Chemistry Lab

Botany Lab

Physics Lab

Zoology Lab

MATHS LAB

ICT Lab

There is an information communication technology LAB in the college to keep the students of B.Ed. With basic necessities of information & Communication Technology. An educational technology lab is working in the faculty of education to meet challenges of modern education system. It is equipped with computers with broadband internet connection. Over broadband internet connection, Over Head Projectors (OHP), LCD Projectors, Screens, Laptops, Colored Television, Photocopier, Sound System and Many equipment for the purpose of educational technology to help the trainees to get concerned with the word.

Drawing Lab

Arts Lab may be perceived as a tool for the development as aesthetic sensibility among learner to enable them to respond to the beauty in color, shape, form, movement. Art Lab and appreciation of one's cultural heritage may go side by side and reinforce the understanding of each others.

Geography Lab

Geography lab is designed to kindle the interest of the students and develop critical faculties concerning people's relationship with the environment. The lab is important because it leads the student's ideas from general to specific. It is also an integral part of the course because it given them hands on experience.

Home Science Lab

To Develop the Human Resource in the field of nutrition and Dietetics, Food science, Extension Education, Textiles and laundry Science, Child development, Family resource management and community nutrition.

Smart Class

Quality education is very important in today's world. As the world is moving fast with growing competition, one needs to keep up. Hence, the smart class is a technological boon for the education system. It provides opportunities for the students to help in understanding the concept better and achieving their academic excellence. The education sector has seen a drastic increase in recent years. Kautilya Group of Education have started adapting different modern teaching methods by using technology.

Language Lab

Language lab is set up in college because it is not only a place where learners perform language experiment but it is a special lab where language experiments can be practiced by speaking & listening with the help of sound equipment. It recognizes the individual differences and language aptitude of the learner. It is a self-learning device, designed in such a manner that a student can practice a carefully produced pattern of drills. College's lab is well equipped with microphones, LCD projector with screen, CPU & many CD's to Learn & Speak English Fluently.

LIBRARY

The Institution has a well-defined set of Vision, Mission and objectives. The library at BCE complies with them and has an open-access system. The Library provides services to the faculty members and students. In this regard, the library is supported of educational CD's including Encyclopedia Britannica and National Geographic Journals. The Library subscribes to international journals and periodicals including magazines, journals and newspapers. The Library is constantly enriched and new material is added to keep abreast with the latest changes and advancements in the field of education. For the convenience of the readers, a photocopying facility has also been provided on Library premises.

READING ROOM

NATIONAL SEMINAR IN CAMPUS

ALUMNI ASSOCIATION

Kautilya Mahila Shikshak Prashikshan Mahavidyalaya is extremely proud of its alumni base. We are deeply and routinely engaged with our wonderful alumni. This relationship extends in various forms and formats like.

- ◆ To keep a roster of all alumni of college and their pertinent data.
- ◆ Maintaining the updated and current information of all Alumni.
- ◆ To encourage, foster and promote close relations among the alumni themselves.
- ◆ To prove a forum for the Alumni for exchange of ideas on academic, cultural and social issues of the day by organizing and coordinating reunion activities of the Alumni.

The Alumni Association achieves these objectives by staging an annual programme of events and reunions; through communications, by providing a range of discounts and services for alumni.

VALUATION FOR INTERNSHIP PROGRAMME
INTERNAL ASSESSMENT
BED I YEAR (II SEMESTER)

Internship Programme Phase I (4 Weeks)

S.No.	Assessment is based on the following activities	Marks : 50
1.	School observation and Engage with filed (One week)	5
2.	Creating and Maintaing teaching learning material for the school. (Which can become valuable resource for the regular teachers of the school)	5
3.	Practice teaching in One pedagogy subjects in schools (15)	15
4.	Lesson observations of the peers (Lesson in Pedagogy Subject)	5
5.	Criticism lessons (Pedagogy Subject)	10
6.	Viva-Voce	10
Grand Total		50

Note: Each student –teacher has to maintain file in which detailed reports of all the activities and tasks discharged by him/her are to be described. The file record; the lesson plan diary will form the basis of assessment of the internship programme.

Evaluation

Evaluation of Theory Papers (CBCS Scheme)

Theory papers will carry a weightage of 100 marks, out of which 70 marks will be for external University Examination and 30 marks will be for internal assessment (Sessional/Practicum and mid-term test) .

Courses on Engagement with the field Community and School, EPC and micro teaching carrying an internal weightage of 50 marks. The assessment of papers will be done internally at the college level with viva-voce (Based on the file semester record, presentation). The final University semester examination paper for 70 marks will be of three hour's duration.

The detail of the question paper pattern is as follow:

Section A:

There will be one question with 10 parts having two parts from each unit with no internal choice. The weightage of each part is 2 marks hence the total weightage of this section is 20 marks. (10 X 2)

Section B:

There will be five questions with one question from each unit with internal choice (may have sub-divisions). The weightage of each question is 10 marks. Hence the total weightage of this section B is 50 marks. (10X5)

WORKING OUT THE RESULT

SGPA (Semester Grade Point Average) and CGPA (Cumulative Grade Point Average) will be as per following grade point calculations:

Letter Grade	Grade Points	Description	Range of Marks (%)
O	10	Outstanding	90-100
A+	9	Excellent	80-89.99
A	8	Very Good	70-79.99
B+	7	Good	60-69.99
B	6	Above Average	50-59.99
C	5	Average	45-49.99
P	4	Below Average/Pass	40-44.99
F	0	Fail	0-39.99
U	0	Unfair Means	--
W	0	Withdrawn	--
Ab	0	Absent	Absent

Further, the calculation of SGPA will be the ratio of secured credit point (Credit X Grade point) and total course credits in each semester. Whereas, the CGPA will be calculated in same way but it will be for all four semesters. To calculate the CGPA into percentage, the multiplication factor will be 9.5.
